

# A message from Barbara...

Dear Villagers

Firstly, all our thoughts are with you all as we struggle to come to terms with what is happening in the world today. The most important thing is that as a community we support and protect each other and that we all stay safe and healthy.

As the owner of two local businesses we will remain open and able to serve you for as long as we can, obviously within the guidelines as directed by our government.

Today, this is what we have put in place :

## **The Langton Arms**

Until we are instructed to close our doors we will stay OPEN, but only if you wish us to? If all of you feel that you do not wish to socialise in any way then there is absolutely no point in us remaining open and suffering the costs for us to do so.

We would be very grateful to receive your feedback on this by either telephoning the office on 01258 830225 or email [info@thelangtonarms.co.uk](mailto:info@thelangtonarms.co.uk) or of course pop in and talk to us!

On the assumption that some of you would like us to remain open, we continue with additional hygiene measures and are thoroughly cleaning all areas and surfaces on the hour, every hour. All staff are cleaning their hands on arrival and every 15 minutes thereafter. We are making The Langton Arms as safe a haven as can possibly be! It goes without saying that please do not visit if you feel you could be infectious in any way.

We intend to keep the Bars and Skittle Alley open only. Maximum space will be kept between all tables. The Skittle Alley offers a larger open space for socialising with a distance. We will be serving fresh hot meals albeit a limited menu. We ask for contactless payments for anything purchased and as a precaution to protect us all we will not be accepting cash.

Whilst we remain open we are also offering a TAKEAWAY / DELIVERY SERVICE for food and drink. Bring in your own crockery or containers we will fill them during the opening hours below. Or contact us via email or phone for our daily menu and we can deliver to your doorstep if required. Orders for food deliveries can only be accepted between 12:00pm and 5:00pm for delivery between 5:00pm and 7:00pm

**Our opening times from today and until further notice will be :**

### **Monday to Friday**

**Bar Open and Food Served 12:00pm to 2:30pm and 5:00pm to 8:00pm**

**Saturday. Bar Open and Food Served 12:00pm to 8:00pm**

**Sunday. Bar Open and Food Served 12:00pm to 6:00pm**

Obviously these times are subject to change and we will advise as the crises we are in changes.

If as many of you could contact us with your thoughts on this and if you would like The Langton Arms to remain open for now on the basis above it would be really appreciated.

### **Rawston Farm Butchery and Farm Shop**

No matter what the following weeks and months have in store for us we will all need to buy and eat food to remain fit and healthy.

In order to best serve our community we intend to increase our opening times, increase our homemade ready meal range and provide as many essential items in the Farm Shop as we can (toilet rolls arrive on Wednesday!).

We are also offering a DELIVERY SERVICE to any customer in the Tarrant Valley until we are out of this crisis. Call us on 07796 801525 or email [info@rawstonfarmbutchery.co.uk](mailto:info@rawstonfarmbutchery.co.uk) and tell us what you need and we will do our very best to help. You can also place an order and collect from The Langton Arms whilst we remain open. We can take payment over the 'phone and if you're in self isolation we can leave your delivery on your doorstep or a safe place as you instruct us.

**Our opening hours for Rawston Farm Butchery and Farm Shop until further notice will be :**

**Monday to Saturday : 8:00am to 5:00pm**

**Sunday : closed**

Stay safe everyone and if you need help please do get in touch.

Barbara Cossins
